Composition of the normalisation committee

Dear Secretary General,

We refer to the decision taken by the FIFA Council on 14 October 2016 to appoint a normalisation committee, and to the announced joint FIFA and UEFA mission in Greece to identify its members.

Following the FIFA and UEFA mission led by Mr Costakis Koutsokoumnis that took place on 28 and 29 October 2016, we inform you that the composition of the normalisation committee will be:

- Mr Ioannis Drossos, President
- Mr Nikolaos Bartzis, Vice-President
- Mr Georgios Bikas, Member
- Mr Zisis Vyras, Member
- Mr Alexis Dedes, Member
- Mr Apostolos Gerontas, Member

FIFA and UEFA retain the possibility to nominate additional person(s) to become a member of the normalisation committee.

The mandate of the normalisation committee will last until 31 May 2017. Its tasks will be to run the daily affairs of the Hellenic Football Federation (HFF); to revise the relevant regulations in order to bring them in line with FIFA standards if necessary; to continue the discussions with the sporting authorities with regard to the amendment of the national laws in close collaboration with FIFA and UEFA; and to organise the election of new office bearers by 31 May 2017 at the latest.

Finally, the normalisation committee will act as an electoral committee whose decisions are final and binding, and its members will not be eligible for any of the open positions, unless there is a properly constituted electoral committee by the time of the elections.

For the Game. For the World.

We thank you for taking note of the above.

Yours sincerely,
FIFA
